

PRAYER GUIDE

9th October- 15th October 2017

TAKE COURAGE!!

Deuteronomy 31:6 "Be determined and confident. Do not be afraid of them. Your God, the Lord himself, will be with you. He will not fail you or abandon you."

The uncertainty in our country has been sickening and sometimes scaring. When Moses realized that his time on earth was coming to an end, he called Joshua and the children of Israel. He knew Joshua was not experienced in leading the people of Israel and so he needed to re-assure him of God's presence. As a country we need to be re-assured that our God is with us and He will not abandon us.

Monday 9th October 2017: Executive

Isaiah 41:13 "I am the Lord your God; I will strengthen you and say, Do not be afraid; I will help you."

- Let us pray that the executive will seek God at all times. Pray for restrain and fear of God from those in the executive arm of government. Pray that they will be compelled by God to be simple and obedient to Him.
- Let us thank God for the humility in our President. Although the President displayed anger after the Supreme Court ruling, he later started to preach and encourage peace. Pray that the enemy will not capture his heart again.
- Let us thank God for the confidence in the deputy President. This man is gifted with words; pray against pride or character that would take his confidence away from God and drive him to pride and confidence in the flesh.
- Let us pray that their families will learn to trust in God. Pray that the families of our leaders will be honest with their leaders and will be bold to tell them when they go wrong. Pray that the spouses of our leaders will be prayer people.
- Let us pray for God's wisdom for them. All wisdom comes from God; let those who lack wisdom ask from God. Without the wisdom of God their can never be good leadership.

- Let us pray for their protection. Pray that the hand of the enemy would not reach our leaders, that they will be covered by the blood of Jesus at all times.

Tuesday 10th October 2017: Legislature

Psalms 27:5 "In times of trouble he will shelter me, he will keep me safe in his Temple and make me secure on a high rock."

- Pray for the parliamentarians especially the new ones. Pray that the current house will be composed of men and women who fear the Lord. Pray that the fellowship in the house will be real and building each member.
- Trust in the Lord with all your heart, pray that this will be the desire of every man and woman in the new house.
- Pray that Parliament will be a place where laws that will govern the nation with justice will be made. Pray that no law will be made that is aimed for selfish political position.
- Let us pray against idol worship in parliament. Pray that God will establish an altar of worship in His name within Parliament.
- Members have spent a lot of money in campaigns, the temptation to be corrupted trying to recover what one has spent is high. Pray that integrity will be a value to be cherished by members.

Wednesday 11th October 2017: Judiciary

Psalms 27:1 "The Lord is my light and my salvation; I will fear no one. The Lord protects me from all danger; I will never be afraid."

- The judiciary is an arm that God speaks about so much in the scriptures. He desires that there will be justice for all.
- Pray for all members of the judiciary and especially the judicial officers who are directly involved in delivering justice. Pray for the fear of God that will take away bias.
- Pray that all judges and magistrates will subject themselves to the fear of God so that they can walk in wisdom and humility.
- Justice will be delivered to all without fear or favor. Pray against corruption in the judiciary and that citizens will have confidence in the judiciary to adjudicate all matters.
- Pray for God's protection over the judicial officers. Pray that they will depend on God for protection and not live in fear.

Thursday 12th October 2017: Families

Psalms 91:11 "God will put his angels in charge of you, to protect you wherever you go"

- When families are strong, when marriages are strong, the nation is strong and healthy. Pray that there will be healthy marriages that honor God in our nation.
- Satan has made it his business to attack marriages daily. When this happened it affects the entire family. Pray for cover and protection of marriages in our nation.
- Security of the family is security to the country. When families live in any kind of fear, the nation will be exposed to Satan's threat to stability in the family. Pray for God to watch and protect the family.
- Where there is unity God commands a blessing. Pray for united families and God will unite the nation.
- God is the head of man and man is the head of his family just as Christ is the head of the church. Pray for great leadership in families. Pray for men to take up the God given authority to protect their families.
- There are many threats to the moral stability of the family. These include social media, electronic media, print, internet etc. Pray that families will find time to socialize and express authentic love without depending on these influencers that have come to rob families of quality fellowship.

Friday 13th October 2017: The Church

Isaiah 30:15 "....Come back and quietly trust in me. Then you will be strong and secure."

- Repentance and rest in the Lord is the true salvation. This should be the message that the church ought to preach today. The world has other solutions but salvation will come from people repenting and trusting in God.
- God wants to bring change in Kenya but he will only do so through a revival that comes from the heart. People must hunger for revival. The church must thirst for it like never before. Let the church arise.
- The church needs to focus on salvation. Kenya needs saved men and women; we must all focus in witnessing so that the Lord can convict many from sin. Pray for salvation in Jesus name.
- God has called the church to lead the nation in repentance. Pray for men of God who will speak against sin and lead our leaders to surrendering to Jesus. Let us thank God for the positive participation by church leaders in the country's leadership.
- Sometimes the church competes for media attention with the politicians. By doing so it puts it at par with them; yet the church is way superior and should not be equated to the politicians.

Pray that we shall take our rightful place and show leadership because the Lord uses the church to establish his love and goodness to the people.

Saturday 14th October 2017 Non-governmental Organizations

Isaiah 30:18 “And yet the Lord is waiting to be merciful to you. He is ready to take pity on you because He always does what is right. Happy are those who put their trust in the Lord.”

- There are many organizations that God can use to speak to the masses. In our country NGO's are big political influencers because they wield economic power. Pray against any negative influence by NGO's who may want to take advantage of the needs of the people.
- Kenya is our mother; all good people love their mother even with her weakness. Pray for patriotism in our country that is not driven by what we can get from Kenya but what we bring to Kenya.
- Many NGO's have been accused to be lovers of money and not people. Many of the NGO's have been set up with the intentions of alleviating poverty. When the funds come, very little reaches the intended recipients but ends up buy properties of comfort of the directors. Pray against greed and selfishness.
- Pray that the fear of God will be instilled in the hearts of the NGO's directors and sponsors.
